RONALD McDONALD HOUSE PARTNERSHIP

From all over the Caribbean, people come to get medical help in San Juan, PR. Parents with children in the hospital need a place for the family to stay. The Ronald McDonald House provides such a haven.

In March, The Rock Radio partnered with Toys 'R' Us in an Open House at Casa Ronald McDonald.

In May, we also partnered with their fundraising golf tournament at Dorado Beach Gold & Tennis Club.

Families, volunteers, and their staff received hope from God's Word as we handed out copies of Charles Stanley's En Contacto [In Touch] Magazine. We

also distributed program guides and Bible lessons.

Pray for the CEM Staff as we partner with others in serving our communities. We are meeting loyal listeners and gaining new ones while we share the Gospel.

SPANISH CHRISTIAN RADIO GETS NEW HELP IN THE U.S.!

For English broadcasters in the U.S., National Religious Broadcasters exists 'We must have a Spanish association where we can meet, share

resources and training,' says CEM President, Janet Luttrell. She went to Miami to attend a meeting May 14, to establish an Association of Hispanic Christian Broadcasters. The U.S. has hundreds of Spanish Radio, TV and Internet stations, as well as thousands of Christian program producers 'We want to serve our audiences better, presenting the Gospel in an attractive way to the nation's largest minority group,' Janet says. 'We can also help each other professionally.' Pray for this new venture that will help reach millions!

NATIONAL & GLOBAL DAYS OF PRAYER, MAY 7 & 31

On the National Day of Prayer (May 7), CEM staff held a special on-air Prayer Meeting at noon. Our English Pastors also held a united on-air Prayer Meeting during Afternoon Drive Time.

On the Global Day of Prayer (May 31), we hosted another prayer program with missionaries from Asia, North Africa, Puerto Rico, and CEM staff from St. Kitts and Brazil. Prayers

went up in English, Spanish, Arabic, Nepalese, Turkish, and Portuguese.

It's thrilling to pray united as one for our leaders, nations and the world!

GLOBAL DAY FOR ASTHMA

The Asthma Center at San Jorge Children's Hospital joined forces with Barbara Ann Roessler Academy, Toys 'R' Us, and The Rock Radio to orientate children and adolescents on how to manage asthma. We seized the opportunity to give out En Contacto Magazines, Program Guides and Children's Bible Lessons.

Puerto Rico has a high incidence of asthma. Children miss school and make countless emergency room visits each year. For help and info, call the Center for Asthma at 787-727-ASMA.

MOTHER'S DAY CONTEST WINNER!

157 moms participated in this year's Mother's Day Contest. Ruth Maldonado of Guaynabo won. She and husband Julio came for her \$100 gift certificate to Restaurante El Zipperle, \$50 spa treatment from Anabell Esthetique, a \$100 fruit and chocolate basket from Fruttery

Barn, a \$100 cake from Creaciones en Azúcar, and a \$50 necklace with earrings from Nana Creations. Your patronage to these businesses says, 'Thanks for helping The Rock Radio!'

'PRAY · GIVE · SERVE' ALL YEAR LONG

Your faithfulness in praying for us, helping us financially, and serving the Lord by encouraging others to listen to The Rock Radio and study the free Bible Lessons, enables CEM to operate effectively all year long. Thank You!

LISTENERS AND BCS STUDENTS WRITE ...

Barbados W.I (Prisoner) I am happy that I have made the decision in my life to study God's Word, the Bible. The studies are to help me to know Christ and to live for Him. God has promised to bless and honor me as I study His Word. The Bible is God's personal message to me. I like reading my Bible because it tells me everything I need to know about my personal relationship with God and I enjoy doing these lessons. The first lesson gave me a lot of trouble, but I overcame it.

San Juan, PR (WBMJ) I'm sorry for my belated offering - let it be used to Praise our Lord. We are many now without a job, but I still wanted to do my part. I'm giving what I don't have, but God will take care of me and I will keep Him first in my life.

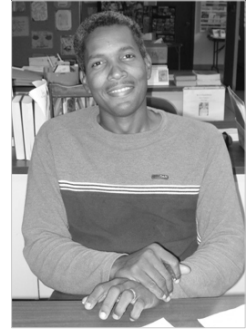

Ponce, PR (WCGB) Every one of your programs instructs and encourages me, but I have my favorites... I am at home all day, and as I do my household work I listen to God's Word and my faith and understanding are enriched.

St. Thomas VI (WIVV) Like some of you before us, God, over the years has proven Himself to be so faithful. He has met us at every juncture of need in our family life experience and has helped us come out victorious at the end of every trial. Praise His Holy Name!

USING TIME WISELY AT CEM AND THE BCS!

We are amazed that Civil Engineer Ariel Pineda is taking time away from his job search to serve in the BCS. Ariel chose to invest time in the Lord's work. We applaud his faith and determination to turn what many would consider 'down time' into eternally productive labor. Ariel's story of service is a shining example to all who are seeking and waiting on the Lord in the face of uncertainty.

Pray for Ariel and many others who are going through similar circumstances.

RADIO MONTH & THE RADIO BROADCASTERS CONVENTION

May is Radio Month in PR and we enjoyed representing Christian Radio at all the events. We prayed for people and gave New Believer's Kits to everyone at the Radio Convention. Pray for the Puerto Rican broadcasters as they receive God's Word.

Trujillo Alto, PR (WBMJ) I keep you in my prayers and I ask the Almighty abundantly to give you wisdom and discernment. We are confronting difficult times, especially in the spiritual realm, but we need to continue being "light in the darkness." All the time I meet more and more people who listen day and night to your station, so your labor is not in vain.

Coamo, PR (WCGB) I always remember you in my daily meditations. I enjoy Radio station WCGB and it makes me grow spiritually. It gives me much peace and strength. I love you mucho.

Kingshill, VI (WIVV) I cannot say thank you enough to everyone. Without those heart warming, soul thrilling, messages it would not be possible to function or make it through the day.

Jamaica, W.I (BCS) I want to thank you wonderful people of God who take the time to cater to the spiritual needs of people. These lessons are really a blessing because sometimes just when I'm doing the lesson I get a word straight from God. The reminders that are in the lessons make one just want to stay in the Word so God can abide.

INTERNET I would like to praise the Lord for his goodness and mercy and for your wonderful ministry. This week was especially stressful at work and it was such a comfort to be able to listen to your programming while at my desk. A coworker and I take turns to have lunch so the office phones will be covered and I switched with him in order to be able to listen and pray along with you during prayertime. Keep up the good work!

INTERNET I listen every morning and a afternoon when I take and pick up my children from school. Your programs are excellent!

SPECIAL VISITOR FROM NAGUABO

We love visiting with our friends who encourage us and support the work.

Doris Benintende has a special place in our hearts. She

sends unique cards and letters (they always have a heart drawn in them); she gives faithfully; she calls; and every once in a long while, she visits. Her love encourages the whole staff.

Last month she brought her visiting family: pictured R-L: Mike and Doris' daughter Kathy Monteith from Hampton, VA; Doris; Mama Ruth; Janet Luttrell and Radio's Jackie Rodriguez.
